

...la scuola facile ;-)

L'azienda italiana distributrice
di software specifici e gestionali
per la piccola, media e grande impresa.

Registro Elettronico

Mission

Offrire un valido supporto per **favorire la digitalizzazione** e l'innovazione scolastica.

Semplificare le operazioni di gestione quotidiana dell'attività scolastica adattandosi alle varie esigenze di docenti, personale di segreteria, genitori e studenti.

Sviluppare **soluzioni flessibili e personalizzate** che tengano conto delle reali caratteristiche dell'istituto scolastico.

Ottimizzare i processi amministrativi e didattici per una **gestione completa ed efficiente** della scuola.

Caratteristiche

FUNZIONALE

Rilevazione automatica presenze studenti tramite badge (mifare, biometrico, magnetico, ecc...) con controllo orario di entrata e uscita

Gestione assenze, ritardo, permessi di entrata/uscita, giustificazioni, note, sospensioni e diario sostitutivo

Interrogazioni e report situazione aula e singolo studente

Consente export dati in excel

INTUITIVO

Grafica efficace e semplicità di consultazione su vari dispositivi di visualizzazione

Efficienza immediata

Facilità di inserimento manuale di orari e dati in qualsiasi momento

Feedback cromatico di intervento su:

- Assenza/Ritardo
- Comunicazioni telefoniche
- Giustificazioni
- Note

MODULARE

Oltre la versione base:

- Prenotazione colloqui con i docenti
- Registrazione/consultazione compiti per casa e download di materiale
- Front-end per vista/info situazione studente con log-in differenziata per accesso genitore o studente
- Gestione votazioni orali/scritte
- Gestione scrutini e verbali

Efficacia

EFFICIENTE

- Gestione di anagrafiche e classi illimitate
- Centralizzazione dei dati
- Maggiore portabilità e supporto nel processo di digitalizzazione ed abbandono del cartaceo
- Conforme alle disposizioni del MIUR sulla dematerializzazione documentale

PRATICO

- Rapido accesso al completo profilo aula/studente
- Info dettagliate circa l'andamento scolastico globale e per materia
- Monitoraggio della frequenza alle lezioni per aula o singolo studente
- Report da inizio anno o, con specifica interrogazione, da data a data

ADATTABILE

- Elevata personalizzazione in base alle caratteristiche infrastrutturali e di cablaggio dell'istituto scolastico
- Evoluzione progressiva del software all'aumentare delle esigenze della singola scuola
- Aggiunta di moduli gestionali:
 - Prenotazione mensa
 - Pagamento pasti
 - Distributori automatici
 - Borsellino elettronico
 - Stampanti condivise

Infrastruttura

ARCHITETTURA DEL SISTEMA SESAMO

Memorizza i dati su server con database Mysql (relazionale). Si basa sulle più moderne tecnologie di connettività.

Punti di forza:

- ✓ Completa adattabilità del codice sorgente alle esigenze della singola scuola
- ✓ Funzionamento on-line/off-line
- ✓ Gestione remota
- ✓ Visibilità in tempo reale degli eventi
- ✓ Modalità sia Intranet che Internet
- ✓ Collegato a sistemi di identificazione tramite badge magnetici, proxy, mifare o biometrici (impronta digitale, retina, ecc..)

Appello

□ Rilevazione presenze studenti automatica:

- Info in tempo reale orario entrata/uscita del singolo studente

□ Log-in personalizzata per accesso rete Intranet/Internet

□ Il docente ha possibilità di utilizzare:

- Dispositivo (desktop, tablet, smartphone...) condiviso dall'istituto scolastico a disposizione in aula
- Dispositivo personale

□ Feedback cromatico di eventi

□ Inserimento manuale - consentito a segreteria/docente - di variazioni orari e/o dati, su singolo studente e in ogni momento:

- Orario entrata/uscita
- Permessi entrata/uscita anticipati
- Giustificazioni
- Note e sospensioni
- Diario sostitutivo per consegna/restituzione

The screenshot displays the SESAMO Registro Elettronico interface. It features a header with the SESAMO logo and navigation buttons (Logout, Menu, Back). Below the header, a table shows the attendance schedule for students from 07/04/2017 to 20/04/2017. The table is organized by class (Classe) and student (Alunno). The columns represent the days of the week (Mercoledì 12-04-2017, Martedì 11-04-2017, Lunedì 10-04-2017, Domenica 09-04-2017) and the time slots (Me, Mu, Pe, Po). The cells contain colored squares indicating the student's presence or absence, with some cells showing specific times (e.g., 07:55, 11:59, 07:58, 12:01, 12:02, 12:03, 12:04, 12:05, 12:06, 12:07, Giustificazioni

Gestisce diverse modalità di segnalazione assenze:

1. Giustificazione assenza classica retroattiva da data a data con motivazione
2. Telefonata preventiva per assenza/ritardo
3. Giustificazione ritardo/uscita anticipata
4. Sospensione con data e motivazione

La garanzia di univocità della firma del docente è data dall'inserimento del Codice Utente e Password personali in fase di log-in.

Resta sempre traccia di chi ha inserito i dati.

La regolarizzazione manuale della situazione personale del singolo studente è consentita a segreteria/docente con azioni di:

- Modifica
- Annullamento
- Conversione in diversa modalità di segnalazione

Note

Inserimento manuale di note dettagliate singole/collettive con data e firma docente.

Possibilità di successiva modifica/eliminazione.

Feedback grafico del report sul totale note ricevute per singolo alunno e/o per aula.
